Our Speakers

Ms. Dianna Enlund
Head of Sales, Australia Institutional | Allianz Global Investors Sustainability Team
22 Years of Financial Markets Experience | Sydney

Dianna Enlund is Head of Sales, Australia Institutional for Allianz Global Investors, responsible for leading the firm's institutional business in Australia, including client coverage and relationship management. She also assumes the role of Sustainability Specialist for Asia Pacific within Allianz Global Investors' Global Sustainability Team.

She joined Allianz Global Investors in 2013, based in Singapore, as Senior Product Specialist. In this role, she represented the firm's Asian fixed income and global fixed income strategies covering institutional, private banking and retail client channels in Asia and Europe.

Before joining Allianz Global Investors, Dianna worked at Schroder Investment Management in Singapore for 10 years as a Product Manager for Asian Bonds and in Institutional Marketing. Prior to that, she was based in Australia where she worked in various fixed income and private client research and marketing roles at Ord Minnett and JP Morgan. She commenced her career as an Auditor at Arthur Andersen in Australia.

Dianna has a B.Econ in Accounting from Macquarie University, Australia. She is also a Certified Practising Accountant of Australia (CPA).

Our Speakers

Dr. Steffen Hörter, PhD.,

Director, Global Head of ESG Integration and Solutions | Allianz Global Investors
27 Years of Industry Experience | Frankfurt

Since 2016, Steffen Hörter is the Global Head of ESG at Allianz Global Investors which he joined in 2001. He is internationally responsible for AllianzGI's ESG investment integration strategy, ESG Policy and ESG Client Investment Solutions.

Since July 2018, Steffen is also a member of the Technical Expert Group on Sustainable Finance which assists the European Commission in developing its legislative proposals.

Steffen is a regular conference speaker and has published various whitepapers and thought leader pieces on financial materiality of ESG in Equities, ESG in Corporate Fixed Income and ESG in Sovereign Bonds. An additional research focus is Climate Change and its integration into Strategic Asset Allocation and Portfolio Implementation. Between 2010 and 2016 he has been advising institutional investors, in particular pension funds in Europe on investment strategy, risk management and ESG integration.

Steffen is a lecturer for Sustainable Responsible Investing with focus on insurance companies at European Business School/ Germany.

Mr. Peter Wong

Executive Committee Member | HKRSA

Peter Wong, a long time past chairman of HKRSA joined the Board of Global Reporting Initiative (GRI) based in Amsterdam at its formation in 1997 and stepped down in 2017. GRI sets the global standard on ESG (Environmental Social & Governance) Reporting.

He was also on the board of International Federation of Accountants which oversaw financial auditing globally in Hong Kong. Before retirement, Mr. Wong practiced as senior tax partner of Deloitte and is a Past President of the Hong Kong Institute of Certified Public Accountants. He is now the Chairman of an independent trust company.
