**Lightbulb
Session**

**The Future of Work:
Navigating Transformation in HR**

Erik van Vulpen

Director

Academy to Innovate HR (AIHR)

- HR is uniquely situated to influence and drive **strategic organisational transformation**
- **Specific trends** that will impact the way we work
- How these trends are shaping the **future of work**, impacting the demands placed on HR leadership, and reshaping how HR operates
- How HR can **capitalise on these trends** and seize the opportunities they present
